

FREE INVITATION

Your registration is absolutely free and includes:

- 1 - Complete organization of business appointments with the companies you wish to meet.
- 2 - Unrestricted access to conferences.
- 3 - The DeciElec 2021 technical catalogue which regroups detailed profiles of companies attending the business convention

Plus:

- 4 - Your accommodation: Room (Within the constraints of the available accommodation) and breakfast for the nights of the 21st and/or 22nd September 2021.
- 5 - Your lunches on September 22 and 23 (business seated lunches), the access to permanent coffee breaks.

6 - PRIVACY AND SECURITY POLICY

I do accept the policy of privacy & confidentiality and management of personal information.

Engagement

The Business convention is based on a concept that relies on the selection of companies and the organization of pre-programmed business meetings. Due to this, cancellations will be highly detrimental to the participation of others.

I would like to receive an invitation for DeciElec Embedded Systems 2021, and I agree to attend the convention or, should I be unable to attend at the last minute, to delegate a representative from my company.

Place: Date: Signature and stamp:

Thank you for stapling your business card

Please send the document to: xsicard@advbe.com

COMPANY PRESENTATION

Company:

FIELDS OF WORK

TRANSPORT

- Business jets
- Commercial aircraft
- Military aircraft
- Bombers
- Fighters
- Helicopters
- Automotive manufacturing
- Aeronautics manufacturing
- Railroad manufacturing
- Shipbuilding
- Pleasure boat / yacht
- Ship equipment
- Civil and military maritime transport
- Two wheelers
- Unmanned ground vehicle (UGV)
- Unmanned aerial vehicle (UAV)
- Motorist
- Space launcher
- Urban and road transport
- Automotive equipment manufacturing
- Aeronautic equipment manufacturing
- Railroad equipment manufacturing
- Technology adapted to harsh environments
- Industrial vehicle
- Agricultural vehicle
- Electric vehicle
- Exploration equipment
- Satellite
- Motor sport
- Airborne armament
- Missile
- Others :

.....

INDUSTRY

- Agro-industry, water treatment, special machine
- Photovoltaic collector
- Battery charger, hybridization of energy sources
- On board communication
- Human Machine Interface
- Professional lighting, heating, air conditioning
- Home appliance
- Renewable energies
- Information system
- Medical imaging
- Video game
- Consumer machine
- Machine tool
- Audio-visual equipment
- Test equipment, measurement, and ECM
- Transmission relay and data relay equipment
- Medical Imagery / Medical equipment
- Video surveillance equipment
- Optoelectronic
- Fuel Cell, Compressor
- Radar System
- Robotic / Automation
- IT Service
- Probe and Detector
- Support for foreign investor and the investor promotion
- Voice alert system
- Mobile barcode reading system
- Others :

.....

ENERGY STORAGE / POWER ELECTRONICS

- Assembly of Power Module
- Electric actuators
- Battery and energy storage
- Electrical wiring
- Battery Charger
- Motor control
- Electric motor control (SW and HW)
- Converter, inverter, variator
- Power electronic
- Solenoid valve
- Expertise in electric motor
- Hybrid system
- Electric motor
- Cooling system
- Powertrain chain
- Semiconductor
- Others:

MATERIALS IN ELECTRICAL ENGINEERING

- Ceramic
- Composites
- Plastic injection
- Insulation
- Magnetic
- Composite materials
- Plastic (injection)
- Piezoelectric
- Superconductivity
- Thermoelectric
- Electrical Conductor
- Dielectric
- Thermal conductor
- Hydrogen technology
- Others:

REQUIRED CERTIFICATIONS AND APPROVALS:

.....

I register to DECIELEC 2021 and undertake to delegate a replacement in case of temporary unavailability.
